### It helps to understand some key terms

**CareFirst member cost:** The maximum amount providers can charge CareFirst members for a specific service.

**Deductible:** Depending on your plan, you'll need to pay for some services on your own until you reach your deductible. Then your plan starts helping with the cost of your care.

**Out-of-pocket maximum:** The most you'll pay for covered services in a plan year. After you spend this amount on care costs, your plan will pay 100% of the CareFirst member costs for the rest of the plan year.

## 2021 STATE OF MARYLAND HEALTH AND WELLNESS PROGRAM

CareFirst has partnered with Sharecare, Inc. to bring you a wellness program designed to help you live a healthier life, reach your wellness goals and earn rewards like \$0 PCP copays and reduced specialist copays for completing healthy activities. Rewards earned in 2021 continue through 12/31/2022. For more information, visit [carefirst.com/statemd](https://carefirst.com/statemd) and log in to *My Account*.

### Register with Sharecare

If you have not already registered, visit [carefirst.com/statemd](https://carefirst.com/statemd) and log in to *My Account*. Click *Explore Now* in the wellness program pop-up message. You'll need to enter your CareFirst *My Account* username and password and complete the one-time registration with Sharecare. Once you register, you can access your wellness program from the web or download the Sharecare app from the App Store or Google Play.

### Eligibility

Completing the wellness activities to earn rewards applies to employees, non-Medicare eligible retirees and non-Medicare eligible spouses enrolled in the CareFirst health plan. It does not apply to retirees (and retiree spouses) for whom Medicare is primary. Also, rewards do not apply to enrolled dependent children regardless of age.<sup>1</sup>

### You can earn two rewards:

#### Free PCP visits:

- To earn free PCP visits, select a PCP, and
- Complete the RealAge® test (an online health assessment that helps you determine the physical age of your body compared to your calendar age)

#### \$5 reduction to your specialist copay:

- To receive a \$5 reduction in your specialist copay, complete one of the recommended screenings listed at [carefirst.com/statemd-screenings](https://carefirst.com/statemd-screenings).

The \$5 reduction to your specialist copay will be activated after CareFirst receives a verified paid claim. The claim must meet certain requirements including having gone through the CareFirst claims review process and have been paid. CareFirst will update the member's account to show the \$5 copay reduction has been granted. The entire process may take up to 45 days.

To access the above activities, simply log in to your Sharecare account, click *Achieve*, then *Rewards*. Next, click *State of Maryland Wellness Program 2021*. The sooner you complete your wellness plan activities, the sooner you start saving. If you require assistance with the wellness program or completing any activity, call Sharecare at 877-260-3253.

<sup>1</sup> Dependent children enrolled in the CareFirst health plan are eligible for health coaching.
